Premium Laminate Wood Flooring

Natural Timeless Contemporary Classics

Enjoy the natural look and timeless style of a beautiful laminate floor, but with the ease of installation and durability found only in Shepherd Floors.

We've taken inspiration from the best of hardwood flooring from all over the world and translated the rich colours and unique textures into authentic wood styles that are sure to compliment your interior spaces.

Our attention to detail shows through with real-looking woodgrain patterns, character marks and surface textures that feel perfect to walk on. Whether its the contemporary or the traditional that you like, Shepherd Floors has a design just for you.

Moldings & Accessories

T-molding

T-molding is used in doorways or thresholds to join two areas of laminate flooring by the same height.
 15x45x2400mm (12mm)
 11x45x2400mm (12/8mm)

(L) End-cap

(L) End-cap trims the flooring with this simple-to-install finishing touch, which is both simple and convenient
 11x22x2400mm (8mm)

Reducer

Reducer is used to create a smooth transition between two floors of different heights, as well protect the planks.
 12x45x2400mm (8mm)
 15x45x2400 (12mm)

Skirting 90/100mm

Skirting 90/100mm serves as a transition from a horizontal surface (e.g. laminate floor) to the vertical surface of a wall.
 15x90x2400
 15x100x2400

Quarter Round

Quarter Round creates a subtle blend between the floor and the wall when skirting is not available.
 15x26x2400mm

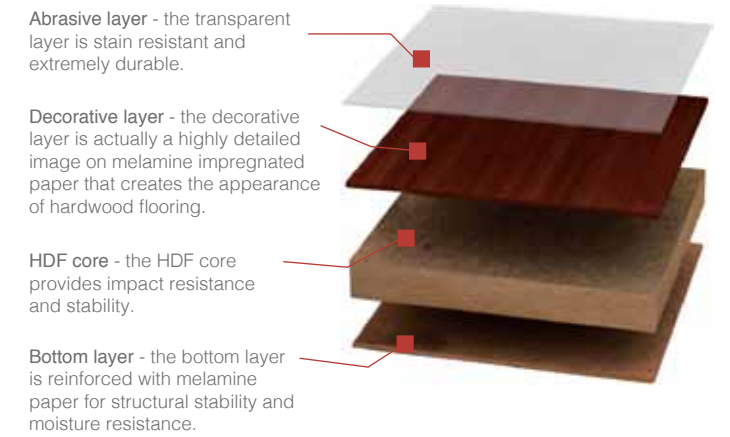

Stair-nose

Stair-nose molding is a great solution of making a transition from the floor to the edge of a flight of stairs or steps.
 18x53x2400 (12/8mm)

Installation

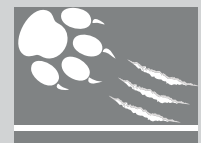

At Shepherd Floors, we continuously keep making technological advancements that improve product performance or installation techniques and methods.
